*****Supervision Aides:**

For your morning/recess duty time:

Make sure students are following safety procedures when walking to and from their destinations, as well as, the proper use of restroom facilities.

For your afternoon/lunch duty time:

Supervise/help the students in the lunch area under the pavilion and the auditorium.

If the auditorium is used, place the younger students inside to eat and the older students outside under the pavilion for each lunch period.

Make sure students clean up so that their teachers pick them up punctually and that the next lunch group can begin.
